Its mission is to promote both public and private understanding of the National Guard and the Reserve in order to gain employer and community support through programs, personnel policies, and practices that encourage employee and citizen participation in National Guard and Reserve programs. The NCESGR has a full-time staff composed of civilians and selected officers and enlisted personnel nominated by the Military Services and their Reserve components.

b. The NCESGR established fifty-five state and territorial committees for employer support to broaden the effort at the community level. Located in each state and the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, and the Commonwealth of the Mariana Islands, the committees are made up of distinguished volunteer citizens and representatives of each of the Reserve components located in the state. Their mission is to support the Guard and Reserve units in their local communities by working with and encouraging the support of reservists' civilian employers.
